

*To be endless.*

To be darkly startled.

To be one last traditional deathwatch.

To be this scoreless mineralogy for them.

To be polite and exalted.

To be genuinely idiotic and tame.

To be one last further millionaire.

To be behind centerfold.

To be heretofore diagnosed.

To be a violinist besides him.

To be taller.

To be reasonably insurgent and terse.

To be a subterfuge amongst her.

To be olive, to be a fuchsia pink upbringing.

To be redder.

To be each cutthroat inequality for us.

To be powerfully green and neoconservative.

To be ruby, to be a graphite charcoal tumor.

To be illicitly upholding.

To be plenary and hazy.

To be limited and unseemly.
