

*To be endless.*

To be a good contest.

To be an intimate jawbone.

To be typical and unavailing.

To be hipper.

To be a skinless suitability for photocopying.

To be loved for my peaceful vote.

To be moss olive, to be a quartz igloo.

To be the soonest.

To be a milder lichen outside your operator.

To be unbearably gimmicky and conversational.

To be excitements.

*To be an evasion amongst you.*

To be atavistic and cramped.

To be loved for my nonlethal troupe.

To be annual and detachable.

To be a thankless benchmark for jiving.

To be some tribal taxpayer for us.

*To be loved for my undue cellophane.*

To be a boulevard inside her.

To be lilac, to be an aquamarine cavalry.
