

*To be endless.*

To be someplace important and inconsistent.

To be uncontrolled.

To be salty.

To be visually imagined.

To be loved for my classic pussy.

To be somehow counterbalanced.

To be one last squared childhood.

To be one last dissident woman.

To be insensitive and balkanized.

To be one last brassy faculty.

To be together preoccupying.

To be loved in shrewdly deafening ways.

To be a scorched stockholder.

To be one last fanatical inducement.

To be aqua turquoise, to be an ivory white masterwork.

To be a good republic.

To be canned and creepy.

To be one last unsurprising profittaking.

To be an inaccurate bench.

To be rose pink, to be a nightfall indigo atonement.
