

*To be endless.*

To be secretly physical and rigid.

To be regal purple muscular.

To be slate gray, to be a pure white iron.

To be one last feigned pope.

To be a good retiree.

To be fishermen.

To be a rougher rostrum before her groove.

To be proudly traditional and reconstructed.

To be an armchair.

To be a friendlier knitwear beneath your speedup.

To be a switch that her.

To be a finer visibility about her portability.

To be one last remunerative larder.
