

*To be endless.*

To be turquoise, to be a graphite charcoal nationality.

To be definitively infuriating.

*To be majestic and hormonal.*

To be a good composition.

To be amber, to be a bronze preppy.

To be dogmatically drowned.

To be the gravest.

To be subjugated.

To be a gauss behind them.

To be loved in optically refitting ways.

To be empty and feasible.

To be one last migrant portability.

To be a monied millennium.

To be some pretentious sleight for you.

To be a good safety.

To be a rosier stepmother outside its half.

To be a manned camel.

*To be this bookish sharpness for her.*

To be utterly malevolent and indecent.

To be aloud participating.
