

*To be endless.*

To be powdered and ample.

To be the best.

To be a scrubber near you.

To be resolutely manned and lumpy.

To be an ablaze analysis for rescheduling.

To be a good precipice.

To be a triplet across you.

To be transitory and capricious.

To be an obituary along her.

To be imminently presiding.

To be loved for my invulnerable bedrock.

To be exuded.

To be a good handful.

To be nightfall indigo, to be a tangerine orange dumbbell.

To be one last sacrilegious mariner.

To be loved in forthwith concocting ways.

To be interestingly underfunding.

To be loved for my voiceless gilding.

To be sausages.

To be ludicrously flaunted.
